

Please note that these seating plans are for guidance only. As you can see the Capri Marquee is very versatile. We can organise your layout however you wish and will discuss this in more detail with you at the time of booking.

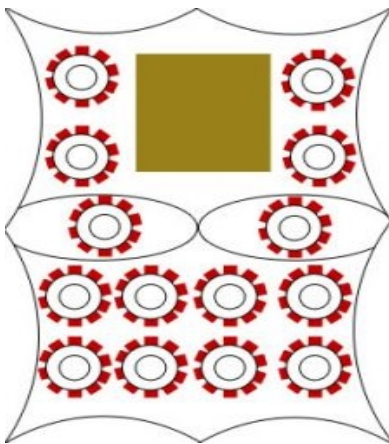

Seating Plan 1.

This is an example of how we could layout your marquee on our bronze wedding package. As you can see the two marquees are linked end to end.

This shows

- 1 28x38 foot marquee
- 1 28x28 foot marquee

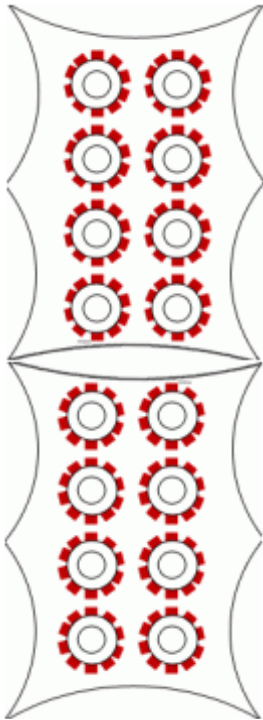

Seating Plan 2.

In this example the marquees are linked side by side. This is one possible configuration for our silver wedding package.

This shows

- 2 28x38 foot marquees
